

## **CAPACITY BUILDING FOR FARMERS**

FIAN International Zambia conducted a two-day training for farmers in Mumbwa BIG concession farming block on Peasant seed systems. The training was from 12<sup>th</sup> March 2021 to 13<sup>th</sup> March 2021.

The training was held with the following objectives;

- I. Strengthening multi-cropping and securing household nutrition
- III. Training of farmers in Mumbwa's Big concession Farming Block on the importance of indigenous seed and agroecology

The meeting aimed at ensuring that the farming community in BIG concession would contribute to the transformation of the food system by responding to nutrition needs, seed sovereignty, and environmental protection, through multi-cropping, use of indigenous seeds, and lesser use of fertilizers and pesticides.

## **PARTICIPANTS AND FACILITATORS**

55 participants comprising of farmers from BIG concession, Kafuka, Kafwikamo, Kawanga, Kalambo, Government and Civil Society Organizations participate at this training.
