

WORKSHOP AT THE AFRICA-EUROPE CIVIL SOCIETY CONFERENCE, WORLD FOOD DAY, 16 OCTOBER 2020

FIAN International Zambia, AFSA, CIDSE

Workshop Objective

The objective for this workshop is to identify innovative measures on how civil society can contribute to the advancement of the Africa-Europe partnership in the respective policy areas. Rather than formulating recommendations for policy-makers, we want to develop new ideas for civil society from Africa and Europe to collaborate in times of Covid-19.
